# Venue Policies

## **Payment & Security Deposit Policy**

The Reservation Fee to secure your wedding date is \$1,500. If the event is within six months, the entire Reservation Fee is due at the time of contract signing. If not, this amount is to be paid via a set payment schedule, consisting of three monthly \$500 payments. The first \$500 payment is due at the time of reservation and signing of contract to secure the date. The remaining balance will be split in half, with the first half due 90 days prior to your event date and the remaining balance due 30 days prior to your event date. A \$500 security deposit will also be added onto the final invoice, and if there are no damages the full deposit will be refunded within 14 days of the event.

## **Vendor Policy**

We have an open vendor policy as well as a list of our favorite vendors that we'd highly recommend. If an outside vendor is chosen, they must agree to meet our requirements and restrictions.

There is a **Vendor Site Visit Fee of \$100** charged for any vendors who require an in-person site visit.

## **Coordinator Policy**

If your package does not include a Coordinator or you have not hired an outside Coordinator/Planner, you will be required to designate a "point person" for the day of your event. This person will serve as the main contact for our venue staff and your vendors to ensure everything runs smoothly.

## **Caterer Policy**

All caterers are required to provide sufficient staffing to set-up, serve, clear, and pack-up food. **The caterer is also required to provide any food being served during cocktail hour as well as all non-alcoholic drinks (including ice).**

## **Alcohol and Bar Policy**

All beer and/or wine for your event must be purchased from and served by Uwharrie Vineyards (your preferred beer/wine can be chosen from our menu). Specialty drinks may be ordered upon request. The service of hard liquor is permitted and may be host-provided. If just serving beer and/or wine, you must purchase the Classic Bar Package. If also serving hard liquor, you must purchase the Premium Bar Package as well as an ABC permit at least 30 days prior to your event. The permit must be sent to us before your event date, otherwise the service of hard liquor will not be permitted. If hard liquor is consumed on the premises without the payment of the fee or appropriate permits, it will result in confiscation as well as a loss of the \$500 security deposit.

## **Insurance Policy**

The venue will purchase special event insurance through our provider on your behalf. The contract signees will be listed on the insurance policy and Proof of Insurance will be sent to you once it has been purchased.

## **Animal Policy**

Animals are allowed on site **ONLY** with advanced authorization. They must be on a leash or crated at all times.

## **Rehearsal Policy**

Rehearsals are guaranteed on the day of your event. Rehearsals for other days can be booked 60 days out from your event date based on availability.

## **End-Time Policy**

Send-offs must take place after the last song at 9:55pm for an official 10:00pm end time. 1-2 people with vehicles must be available directly after the send-off to load all remaining food and beverages as well as personal items (no next-day pickup available). Any additional time spent on site beyond 11:00pm will be billed at a rate of \$150/hour.
